

2012 Eastern Family Economics & Resource Management Association Conference

The 2012 Conference of the Eastern Family Economics & Resource Management Association will be held February 29 through March 2 (Wednesday through Friday) in Charlotte, NC at the Holiday Inn Center City. The room rate will be \$119 single/double plus 16.25% taxes. The hotel offers a great central location, rooftop pool, jogging trail, whirlpool, fitness center and complimentary high speed Internet access. Call 704-335-5400 or 1-800-HOLIDAY for reservations. Be sure to ask for the Eastern Family Economics room block.

Leap into 2012 with a tour of the NASCAR Hall of Fame or one of the other 100 things to do in Charlotte (<http://www.charlottesgotalot.com/resources/pdfs/101-things-to-do-letter.pdf>). Unless you plan to stay for it, a basketball tournament starting March 2 in Charlotte means the room rates will go up significantly for Friday and Saturday stay-overs.

We're expecting our biggest turnout yet. Start thinking about what you want to submit. We're making significant changes to the submission and review process which we hope will dramatically simplify the process. We expect the call for submissions will go out before the end of the year.

See you in Charlotte!
