

How to join the Adobe Connect Meeting as a guest

1. Open the email message that you received from NIFA. Locate the “To join the meeting” hyperlink in your message. It should appear in blue. Click once on the hyperlink.

NOTE: Internet Explorer 6, 7, 8, or 9 (32 bit only), Apple Safari 4 or 5, Mozilla Firefox 3 or higher, and Google Chrome browsers are compatible with Adobe Connect 8.

To join the meeting:

2. Your web browser will open and you will be taken to the NIFA Acrobat Connect web site.

Acrobat® Connect™ Professional

Select Enter as a Guest.

In the Type your name: text box, enter your first and last name and click once on the Enter Room button.

Enter as a Guest

Type your name:

Enter Room

Enter with your login and password

3. The meeting should now load and will see your name displayed in the Attendees pod.
