TO: Extension Colleagues in Food, Nutrition, and Affiliated Areas  
SUBJECT: Food, Nutrition, and Affiliated Areas State Extension Directory

The Families, 4-H, and Nutrition (F4HN) Unit, in the National Institute of Food and Agriculture of the United State Department of Agriculture is pleased to make the **Food, Nutrition and Affiliated Areas State Extension Directory** available. This directory consists of extension professionals with leadership and statewide responsibility at Land-Grant institutions who are involved in food, nutrition, and affiliated or related areas.

The purpose of this directory is to promote communication and networking among extension professionals who work in related areas. Within the listing a key EFNEP contact or coordinator is listed for each university as well as at least one key SNAP-Ed contact (formerly FSNE contact) for each state. Individuals who are listed in this directory have been added to the FNEmail listserv maintained by F4HN (unless they unsubscribe).

To keep this directory as useful as possible, please send changes and comments to [foodnutritiondir@nifa.usda.gov](mailto:foodnutritiondir@nifa.usda.gov). The most up-to-date version of the **Food, Nutrition, and Affiliated Areas State Extension Directory** can be found on the NIFA Nutrition page [www.nifa.usda.gov/nutrition](http://www.nifa.usda.gov/nutrition).
