DIVERSITY, EQUITY, INCLUSION, AND ACCESSIBILITY (DEIA) TEAM

TEAM OBJECTIVES

The goals of the DEIA Team work are to enhance research and investment in communities to ensure diversity, equity, inclusion and accessibility; help reduce barriers to access and advance opportunities for underserved communities; and clarify how NIFA collects and uses data to continually improve its services. These goals stem from the creation and development of a concept paper on racial equity and the following executive orders: 1) Advancing Racial Equity and Support for Underserved Communities Through the Federal Government, and 2) Diversity, Equity, Inclusion and Accessibility Through the Federal Government.
