Joint Cooperative Extension Programs at 1862 Land-Grant Institutions and University of the District of Columbia Public Postsecondary Education Reorganization Act Program

Fiscal Year (FY) 2023 Request for Applications

Application Deadline: September 30, 2022
Joint Cooperative Extension Programs at 1862 Land-Grant Institutions and University of the District of Columbia Public Postsecondary Education Reorganization Act Program Initial Announcement

Assistance Listing Number: formerly known as the Catalog of Federal Domestic Assistance (CFDA). This program is listed in the Federal Assistance Listing under 10.511.

Dates: Applications must be received by 5:00 p.m. Eastern Time on September 30, 2022. Comments regarding this request for applications (RFA) are requested within six months from the issuance of this notice. Comments received after that date will be considered to the extent practicable.

Advancing Diversity, Equity, Inclusion, and Accessibility (DEIA): NIFA recognizes research, education, and extension efforts will have the greatest impacts when programs are grounded in DEIA. NIFA is committed to enhancing diversity, equity, inclusion, and accessibility of programs and encourages individuals, institutions, and organizations from underserved communities to apply to funding opportunities as lead, co-lead, or subaward recipient(s), and to engage as leaders in the peer panel review process to support the development of strong networks and collaborations. NIFA encourages applications that engage diverse communities and have broad impacts through research, education, extension, and integrated activities to address current and future challenges.

Stakeholder Input: The National Institute of Food and Agriculture (NIFA) seeks your comments about this RFA. We will consider all comments when we develop the next RFA for the program, if applicable, and we will use the input to meet the requirements of Section 103(c)(2) of the Agricultural Research, Extension, and Education Reform Act of 1998 (7 U.S.C. §7613(c)(2)). Applicants may submit written comments to Policy@usda.gov (email is for comments only). This email address is intended only for receiving comments regarding this RFA and not for requesting information or forms. In your comments, state that you are responding to the Joint Cooperative Extension Programs at 1862 Land-Grant Institutions and University of the District of Columbia Public Postsecondary Education Reorganization Act Program RFA.

Executive Summary: NIFA requests applications for both the Cooperative Extension Programs at 1862 Land-Grant Institutions authorized under the Smith-Lever Act section 3(b) and (c) (SLBC) and the University of the District of Columbia Public Postsecondary Education Reorganization Act Program (DCPPERA) for fiscal year 2023 to develop practical applications of research knowledge; instructions and practical demonstrations of existing or improved practices or technologies in agriculture; uses of solar energy with respect to agriculture, home economics, and rural energy; subjects relating to persons not attending or resident in 1862 Land-Grant Institutions; imparting information on those subjects through demonstrations, publications, and otherwise and for the necessary printing and distribution of information in connection with the subjects.

This RFA is being released prior to the enactment of an FY2023 Appropriations Act. Subject to any FY 2023 Continuing Resolution, NIFA will distribute funds to the institutions according to the amounts allocated in FY 2022. NIFA will adjust the allocations for FY 2023 once
appropriations are finalized. The amount available for support of this program in FY 2022 was $309,449,777. Appendix A of this RFA includes specific FY 2022 distributions. NIFA will issue FY 2023 payments subject to the availability of funds and the applicant having met the previous year’s reporting requirements. Part III, B of this RFA identifies if matching is a requirement and, if so, please pay particular attention to the matching instructions included in Part IV, B, 4 of this RFA.

This notice identifies the objectives for SLBC and the DCPPERA project/program, the eligibility criteria for projects/program and applicants, and the application forms and associated instructions you need to apply for a SLBC or a DCPPERA grant.

The USDA NIFA home page for the SLBC is: https://nifa.usda.gov/program/smith-lever-act-capacity-grant.
2023 Updates

1. FY23 reporting requirements have been transitioned from REEport to the NIFA Reporting System (NRS) for Capacity programs. Information regarding NRS and reporting due dates is available at https://www.nifa.usda.gov/data/nifa-reporting-system.

2. The Digital Accountability and Transparency Act of 2014, P.L. 113-101 (DATA Act) was signed into law May 9, 2014. The Act requires federal award information be made available for public view on USAspending.gov. To fulfill these requirements, there are two additional forms included within the RFA package: the Project/Performance Site Location(s) and Project Abstract forms, OMB Number 4040-0010. The Project/Performance Site Location(s) form will provide more accurate identification of where the federal assistance funding is being utilized. The Project Abstract form will provide more detailed information regarding what the funding is being used for. Any additional information regarding this Act can be found at Data Act Resources for Web.

PART I—FUNDING OPPORTUNITY DESCRIPTION

A. Legislative Authority and Background

Sections 3(b) and 3(c) of the Smith-Lever Act (program referred to as SLBC hereafter), codified at 7 U.S.C. §341-349, provides funding for agricultural extension programs at 1862 Land-grant universities according to the following formula:

1. Out of each annual allocation, each State will be entitled to receive a sum of money equal to the sums available from federal cooperative extension funds for the fiscal year 1962, and subject to the same requirements as to furnishing of equivalent sums by the State, except that amount heretofore made available to the Secretary for allotment on the basis of special needs shall continue to be available for use on the same basis.

2. Further, the University of Guam and the University of the Virgin Islands will receive $100,000 each in addition to the sums appropriated for the several States of the United States and Puerto Rico under the provisions of sections 3(b) and 3(c) of the Smith-Lever Act.

3. Of the remainder so appropriated for each fiscal year 20 percent will be paid to the several states in equal proportions, 40 percent will be paid to the several states in the proportion the rural population of each bears to the total rural population of the several states as determined by the census, and the balance will be paid to the several states in the proportion the farm population of each bears to the total farm population of the several states as determined by the census.

4. Any appropriation made under sections 3(b) and 3(c) of the Smith-Lever Act will be allotted in the first and succeeding years on the basis of the decennial census current at the time the appropriation is first made, and as to any increase, on the basis of decennial census current at the time such increase is first appropriated.

Section 208 of the District of Columbia Public Postsecondary Education Reorganization Act provides, in pertinent part, that “[i]n the administration of the Act of May 8, 1914 (7 U.S.C. §341-346, 347a-349) (known as the Smith-Lever Act)... the University [of the District of Columbia] shall be considered to be a university established for the benefit of agriculture and the mechanic arts in accordance with the provisions of the Act of July 2, 1862 (7 U.S.C. §301-305, 307, 308); and... the term “State” as used in such Act of May 8, 1914, shall include the District of Columbia, except that the District of Columbia shall not be eligible to receive any sums appropriated under section 3 of such Act... In lieu of an authorization of appropriations for the District of Columbia under section 3 of such Act of May 8, 1914, there is authorized to be appropriated such sums as may be necessary to provide cooperative agricultural extension work in the District of Columbia under such Act. Any reference in such Act (other than section 3 thereof) to funds appropriated under such Act shall in the case of the District of Columbia be considered a reference to funds appropriated under this subsection.”

Section 7220 of Public Law number 107-171, Farm Security and Rural Investment Act of 2002, dated May 13, 2002, terminated the Schedule A appointment authority of USDA under the Smith-Lever Act, which provided dual State-Federal appointments and certain Federal benefits to Cooperative Extension Service (CES) agents, including the CSRS (Civil Servant Retirement System) and FERS (Federal Employees Retirement System) Retirement Programs and Federal Employees' Compensation Act (FECA) benefits under the Workers’ Compensation Program. As a result, payments to Department of Labor’s (DOL) Federal Office of Workers’ Compensation Programs (OWCP) on behalf of former Schedule A CES agents were discontinued, with the
exception of disability claims filed with OWCP prior to May 13, 2002. Beginning in Fiscal Year (FY) 2005, NIFA announced the separate allocation of funds for the retirement programs would be phased out over a 10-year period. The amount available for these programs was reduced each year by $1,473,658 and the same amount was added to the funds available for distribution under the Smith-Lever Section 3(b) and (c) statutory formula. In addition to retirement funding, funds allocated to the retirement programs were used to pay the 1862 Land-grant institutions’ share of Workers’ Compensation claims directly to OWCP. The final year for separate CSRS allocations was 2015 and the final year for FERS allocations was 2016.

Prior to the termination of the CSRS and FERS Retirement Programs, NIFA paid Workers’ Compensation claims on behalf of the 1862 institution and charged the institution by reducing its annual retirement allocation by the amount remitted to OWCP. If the amount of OWCP claims exceeded the 1862 institution’s annual retirement allocation, NIFA billed the institution for the difference. NIFA is no longer providing a separate allocation of funds for the retirement of former Schedule A employees and, therefore, will not have a mechanism for deducting OWCP charges from CSRS allocations.

Beginning in FY 2018, NIFA pays the Workers’ Compensation benefits of the former Schedule A employees directly to DOL and charges the 1862 institution by reducing its annual allocation under the Smith-Lever section (b) and (c) statutory formula.

B. Purpose
The purpose of this funding is to conduct cooperative agricultural extension work. The Joint Cooperative Programs at 1862 Land-Grant Institutions and the University of the District of Columbia Postsecondary Education Reorganization Act Program aligns with the USDA Strategic Plan for FY 2022-2026, USDA Strategic Goals as follows:
1. Combat climate change to support America’s working lands, natural resources and communities;
2. Ensure America’s agricultural system is equitable, resilient, and prosperous;
3. Foster an equitable and competitive marketplace for all agricultural producers;
4. Provide all Americans safe, nutritious food;
5. Expand opportunities for economic development and improve quality of life in rural and tribal communities;
6. Attract, inspire, and retain an engaged and motivated workforce that’s proud to represent USDA.
PART II—AWARD INFORMATION

A. Available Funding
Subject to any FY 2023 Continuing Resolution, NIFA will distribute funds to the institutions according to the amounts allocated in FY 2022. NIFA will adjust the allocations for FY 2023 once appropriations are finalized. The amount available for support of this program in FY 2022 was $309,449,777.

The Automated Standard Applications for Payment System (ASAP), operated by the Department of Treasury’s Bureau of the Fiscal Service, will be the payment system for all NIFA grant awards.

Workers’ Compensation Payments on Behalf of Former Schedule A CES Agents at 1862 Institutions

With the exception of disability claims filed with the Office of Workers’ Compensation Programs (OWCP) prior to May 13, 2002, payments to US Department of Labor (DOL) OWCP on behalf of former Schedule A CES agents are not authorized. NIFA no longer provides a separate allocation of funds for the retirement of former Schedule A employees and, therefore, does not have a mechanism for deducting OWCP charges from CSRS and FERS allocations. NIFA now pays the workers’ compensation benefits of the former Schedule A employees directly to OWCP and will charge the 1862 institution by reducing its annual allocation under the Smith-Lever section (b) and (c) statutory formula. Questions regarding OWCP charges and deductions associated with these charges should be directed to capacitygrantquestions@usda.gov.

B. Type of Application
Applications for FY 2023 are limited to “new” applications.
PART III—ELIGIBILITY INFORMATION

A. Eligible Applicants
For the DCPPERA, RFA applications may only be submitted by the University of the District of Columbia. The list below contains the names of 1862 Land Grant Institutions eligible for the SLBC program. Failure to meet an eligibility criterion by the time of application deadline may result in the application being excluded from consideration or, even though an application may have been reviewed, will preclude NIFA from making an award.

1. American Samoa Community College
2. Auburn University
3. Board of Regents of the University of Nebraska
4. Clemson University
5. College of Micronesia Land Grant Program
6. Colorado State University
7. Cooperative State Research, Education, and Extension Service,
8. Cornell University
9. Iowa State University of Science and Technology
10. Kansas State University
11. Louisiana State University
12. Michigan State University
13. Mississippi State University
14. Montana State University, Inc
15. Nevada System of Higher Education
16. New Mexico State University
17. North Carolina State University
18. North Dakota State University
19. Northern Marianas College
20. Oklahoma State University
21. Oregon State University
22. Pennsylvania State University
23. Puerto Rico Agricultural Extension
24. Purdue University
25. Regents of the University of California
26. Regents of the University of Idaho
27. Regents of The University of Minnesota
28. Rutgers, The State University of New Jersey Rutgers
29. South Dakota State University
30. Texas A&M Agrilife Extension Service
31. University of Alaska Fairbanks Grants & Contracts
32. University of Arizona
33. University of Arkansas System
34. University of Connecticut
35. University of Delaware
36. University of Florida
37. University of Georgia
38. University of Guam
39. University of Hawaii
40. University of Illinois  
41. University of Kentucky  
42. University of Maine System  
43. University of Maryland  
44. University of Massachusetts  
45. University of Missouri System  
46. University of Rhode Island  
47. University of Tennessee  
48. University of the Virgin Islands  
49. University of Vermont & State Agricultural College  
50. University of Wisconsin System  
51. University of Wyoming Sponsored Programs  
52. University System of New Hampshire  
53. Utah State University  
54. Virginia Polytechnic Institute and State University  
55. Washington State University  
56. West Virginia University

Award recipients may subcontract to organizations not eligible to apply provided the subcontracts are necessary for the conduct of the project. Failure to meet an eligibility criterion by the time of application deadline may result in the application being excluded from consideration, or, even though an application may have been reviewed, will preclude NIFA from making an award.

B. Cost Sharing or Matching
1862 Land-Grant Institutions in the 50 States must match 100 percent of the SLBC funds they receive with funds from non-Federal sources such as State or county appropriations. See (2 CFR 200.306 (b)) for more information about matching fund requirements. Matching funds may only be used for extension activities approved in the eligible institution’s Five-Year Plan of Work.

Section 3(e)(1) of the Smith-Lever Act codified at 7 U.S.C. §343(e)(1) states, with regard to institutions in the 50 states, “no allotment shall be made to a State under subsection (b) or (c), and no payments from the allotment shall be made to a State, in excess of the amount that the State makes available out of non-federal funds for cooperative extension work.” However, section 3(e)(4) of the Smith-Lever Act codified at (7 U.S.C. §343(e)(4) provides that “Effective beginning of fiscal year 2003, in lieu of the matching funds requirement of paragraph (1), the insular areas of [American Samoa,] the Commonwealth of Puerto Rico, Guam, [Micronesia, the Northern Marians Islands,] and the Virgin Islands of the United States shall provide matching funds from non-federal sources in an amount equal to but not less than 50 percent of the formula funds distributed by the Secretary to each of the insular areas, respectively, under this section. The Secretary may waive the matching fund requirement [of 50 percent] for any fiscal year if the Secretary determines that the government of the insular area will be unlikely to meet the matching requirement for the fiscal year.”

Section 7508 of the Agriculture Improvement Act of 2018 (Public Law 115-334) reinstated a matching requirement for federal funds used in extension work at the University of the District of Columbia. By stating: Section 209(c) of the District of Columbia Public Postsecondary Education Reorganization Act (Public Law 93–471; sec. 38–1202.09(c), D.C. Official Code) is amended by inserting after the first sentence the following: “Such sums may be used to pay not
more than 1⁄2 of the total cost of providing such extension work.’’ To clarify, this translates to the D.C. institution providing 50% of the total cost, which means matching at 100 percent what NIFA provides.

The matching funds requirements for Agricultural Research and Extension Capacity Funds at the 1890 Land-Grant Institutions, including Central State University, Tuskegee University and West Virginia State University, and at the 1862 Land-grant Institutions in Insular Areas are published at 7 CFR §3419. 7 CFR §3419.1 defines “matching funds” as “funds from non-federal sources, including those made available by the State to the eligible institutions for programs or activities that fall within the purposes of agricultural research and cooperative extension under Sections 1444 and 1445 of National Agricultural Research, Extension, and Teaching Policy Act of 1977; the Hatch Act of 1887; and the Smith-Lever Act.” 7 CFR §3419 defines “non-federal sources” as “funds made available by the State to the eligible institution either through direct appropriation or under any authority (other than authority to charge tuition and fees paid by students) provided by a State to an eligible institution to raise revenue, such as gift acceptance authority or user fees.”

7 CFR §3419.6 states, “The required matching funds for the capacity programs must be used by an eligible institution for the same purpose as Federal award dollars: Agricultural research and extension activities that have been approved in the plan of work required under sections 1445(c) and 1444(d) of the National Agricultural Research, Extension, and Teaching Policy Act of 1977, section 7 of the Hatch Act of 1887, and section 4 of the Smith-Lever Act. For all programs, tuition dollars and student fees may not be used as matching funds.”

The matching documentation must include the non-federal sources (specify whether the source is 3rd party, cash, state, or non-state, county, or non-tax) and the amount for all matching support including matching from outside the applicant institution. It must also include the program solme and the fiscal year and be signed by the authorized representative. It must be in PDF format (see Part IV of the NIFA Grants Application Guide for attachment requirements) and included as a separate attachment on the Attachment Form.

NIFA may consider and approve matching waiver requests under this RFA above the 50 percent level for insular areas. The regulations at 7 CFR §3419.3 and 7 CFR §3419.4 address the criteria an institution must meet to be granted a waiver as well as the process and supporting documentation required for submitting a waiver. See Part IV § B.6.c for additional instructions about how to request a waiver.
PART IV—APPLICATION AND SUBMISSION INFORMATION

A. Electronic Application Package
Submit only electronic applications via Grants.gov to NIFA in response to this RFA. We urge you to submit early to the Grants.gov system. For information about the pre-award phase of the grant lifecycle, see Pre-Award Phase Grants 101.

New Users of Grants.gov
Prior to preparing an application, we recommend the project director/principal investigator (PD/PI) first contact an authorized representative (AR, also referred to as Authorized Organizational Representative or AOR) to determine if the organization is prepared to submit electronic applications through Grants.gov. If not (e.g., the institution/organization is new to the electronic grant application process through Grants.gov), you must complete the one-time registration process prior to submitting an application. The registration process can take as long as two weeks to complete. It is, therefore, critical to begin the process as soon as possible. To register, the AR should select “Register” in the top right corner of the Grants.gov web page (or go to Grants.gov Register).

Steps to Obtain Application Package Materials
To receive application materials:
1. You must download and install a version of Adobe Reader compatible with Grants.gov to access, complete, and submit applications. For basic system requirements and download instructions, Grants.gov has a test package that will help you determine whether your version of Adobe Reader is compatible.
2. To obtain the application package from Grants.gov, go to Search for Opportunity Package and enter the funding opportunity number: Funding Opportunity Number: USDA-NIFA-10511-SLBCDXX-23-0001 in the appropriate box. From the search results select the funding opportunity number to open the funding opportunity package. Select the Related Documents Tab and Package Tap to reference all elements required and the NIFA Grants Application Guide associated with your funding opportunity.

A Grant Application Package is tied to a particular funding opportunity. Applications must be submitted ONLY to the particular funding opportunity to which the Grant Application Package is associated. The application package also contains the NIFA Grants Application Guide. This guide contains an introduction and general Grants.gov instructions, additional information about the Grants.gov registration process, information about how to use a Grant Application Package in Grants.gov, and instructions on how to complete the application forms.

If you require assistance to access the application package (e.g., downloading or navigating Adobe forms) or submitting the application, refer to resources available on the Grants.gov website.
The Authorized Representative (AR) must have the authority to represent and bind the organization for any agreement (i.e., the individual who is authorized to commit the awardee’s time and other resources to the project, to commit the awardee to comply with the terms and conditions of the award instrument including those set out herein, and to otherwise act for or on behalf of the awardee institution or organization).

Grants.gov assistance is also available at:

Grants.gov customer support
(800) 518-4726 toll-free or (606) 545-5035
Business Hours: 24 hours a day, 7 days a week. Closed on federal holidays.
Email: support@grants.gov

Grants.gov iPortal Top 10 requested help topics (FAQs), searchable knowledge base, self-service ticketing and ticket status, and live web chat (available 7 a.m. - 9 p.m. Eastern Time).

Have the following information available when contacting Grants.gov:
1. Funding opportunity number (FON)
2. Name of agency to which you are applying
3. Specific area of concern

B. Content and Form of Application Submission
Applicants must prepare electronic applications following Parts III and IV of the NIFA Grants Application Guide. This guide is part of the corresponding application package (see Section A of this part). The following additional information is needed to prepare an application for this RFA. If there is discrepancy between the two documents, the information contained in this RFA is overriding.

Note the attachment requirements (e.g., PDF) in Part IV of the NIFA Grants Application Guide. Any proposals non-compliant with the requirements (e.g., content format, PDF file format, file name restrictions, or password protected files) will be at risk of being excluded from NIFA review. Partial applications will be excluded from NIFA review. We will accept subsequent submissions of an application until the established deadline in the RFA (see Part IV of the NIFA Grants Application Guide for further information).

For any questions related to the preparation of an application, review the NIFA Grants Application Guide and the applicable RFA. If you need further assistance, contact:
1. Email: capacitygrantquestions@usda.gov
2. Business hours: Monday - Friday, 7 a.m. - 5 p.m. ET, excluding federal holidays.

Each grant application must contain the following:
1. Application for Federal Assistance, Form SF-424 R&R Cover Sheet
2. Project/Performance Site Location(s) Form
3. Project Abstract Form (including attachment in PDF format)
4. Key Contacts Forms
5. NIFA Supplemental Information Form
6. Attachment Form (including attachments in PDF format)

The NIFA Grants Application Guide includes instructions for additional forms not needed for an application in response to this RFA. Complete and submit only the forms associated with the
funding opportunity package and as instructed below.

1. **SF 424 R&R Cover Sheet**

   Information related to the requirements of this form is available in Part V of the [NIFA Grants Application Guide](#). The following are additional instructions. Please note new instructions are included below for Field 5. The Organizational Information NIFA has included in Appendix A is based on FY2022 applications received for this program. If your organization intends to submit an application using information other than what appears in Appendix A, please contact us at [capacitygrantquestions@usda.gov](mailto:capacitygrantquestions@usda.gov) prior to submitting your application.

   a) **Field 1. Type of Submission** – Check “Application.”
   
   b) **Field 5. Applicant Information**
   
      i. Enter Legal Name of the Institution as registered in the System for Awards Management (SAM) which appears in the first column of Appendix A of this RFA
   
      ii. Enter the Institutions Unique Entity Identifier (UEI) as it appears in SAM
   
      iii. Enter Department Name of Eligible Recipient, if applicable
   
   c) **Field 7. Type of Applicant** – Enter the Institution type as registered in SAM.gov
   
   d) **Field 8. Type of Application** – Enter “new”
   
   e) **Field 11. Descriptive Title of Applicant’s Project** – Enter a short descriptive title (no more than 200 characters including spaces) of the project(s) being paid for with this grant. Do not use acronyms or any special characters
   
   f) **Field 13. Congressional District of Applicant** – Enter the Congressional District for the Institution’s location provided in Part V, Applicant Information
   
   g) **Field 15. Estimated Project Funding** – For item a and b, enter your institution’s FY 2022 allocation and matching as listed in Appendix A of this RFA
   
   h) **Field 17. Complete Certification** - See Part V of the [NIFA Grants Application Guide](#) for the required certifications and assurances (e.g., Prohibition Against Entities Requiring Certain Internal Confidentiality Agreements), then check box
   
   i) **Field 19. Authorized Representative** – Signature of Authorized Representative in this box shall match information completed within this section. If signature is a designee or other party, a letter on university letterhead designating this signature authority shall be included with the submission as part of the attachments within the Attachment Form

2. **Project/Performance Site Location(s) Form**

   Information related to the requirements on this form is available in Part V of the [NIFA Grants Application Guide](#). The following are additional instructions.

   Note: The Primary Place of Performance Site Location is the principal location where the majority of work is being performed, such as a manufacturing plant where items are produced or a hospital where research is being conducted. In many instances, a project’s Primary Place of Performance Site Location will not be the same as the recipient’s legal business address.

   a) Complete only the “Project/Performance Site Primary Location” section of the form
   
   b) **Organization Name** - Indicate the organization name of the primary site where the work will be performed
   
   c) **Street1** - Enter first line of the street address for the primary performance site location
d) **Street2** - Enter second line of the street address for the primary performance site location, if needed

e) **City** - Enter the City for the address of the primary performance site location

f) **County** - Enter the County of the performance site location

g) **State** – From the drop-down menu, select the state code (e.g., NY for New York, CA for California) where the primary performance site location is located. For the following territories, use the following state codes. These codes are at the end of the drop-down menu except D.C.
   i. Washington DC = DC
   ii. American Samoa = AS
   iii. Guam = GU
   iv. Marshall Islands = MH
   v. Micronesia = FM
   vi. Northern Mariana Islands = MP
   vii. Puerto Rico = PR
   viii. US Virgin Islands = VI

h) **Country** – This field should default to USA. Please select the proper country if applicable.

i) **Zip/Postal Code** - Enter the nine-digit Postal Code (e.g., ZIP code) of the primary performance site location.

j) **Project/Performance Site Congressional District** - Enter the two-digit Congressional District of the primary performance site location (e.g., 01, 02, 03…). For the following unique areas, the Congressional Districts are:
   i. Alaska, Delaware, Montana, North Dakota, South Dakota, Vermont, Wyoming - 00 is the Congressional District code
   ii. Washington DC, American Samoa, Guam, Northern Mariana Islands, Puerto Rico, US Virgin Islands - 98 is the Congressional District code
   iii. Micronesia, Marshall Islands, Palau, US Minor Outlying Islands - 99 is the Congressional District code

3. **Project Abstract Form**
Information in this form is important to DATA Act requirements for reporting to the public via USA Spending. The abstract submitted should not be more than 18,000 characters (including spaces, dashes, etc.) and should be “a plain language description of the Federal award purpose; activities to be performed; deliverables and expected outcomes; intended beneficiary(ies); and subrecipient activities if known/specified at the time of award.” This information may be a copy of a section of the Institutions FY 2023 plan of work, as long as these areas are included. Remember, whatever information is provided in this abstract will be displayed to the public via the USA Spending website. Therefore, do not include any proprietary or confidential information.

4. **Key Contacts Forms**
Information related to the requirements of this form is available in Part V of the NIFA Grants Application Guide. These documents must be completed and submitted in PDF format. The Project Role field of the Key Contact form should contain the exact roles indicated below for each contact required. A person’s job title should be entered in the Title field of the Key Contact form and not in the Project Role field. Missing forms may result in delayed processing of the application.
a) **Contact 1 Project Role:** Enter the contact information for the State Extension Director

b) **Contact 2 Project Role:** Enter the contact information for the State Extension Director or designee, if applicable.

c) **Contact 3 Project Role:** Enter the contact information for the Business Office Manager/Administrator.

d) **Contact 4 Project Role:** Enter the contact information for the person responsible for drawdowns.

5. **Supplemental Information Form**

Information related to the requirements of this form is available in Part V of the NIFA Grants Application Guide. The following are additional instructions.

a) **Field 1. Funding Opportunity Name** - Joint Cooperative Extension Programs at 1862 Land-Grant Institutions and University of the District of Columbia Public Postsecondary Education Reorganization Act Program

b) **Field 2. Program to which you are applying**
   i. Program Code Name - Cooperative Extension Programs at 1862 Institutions, Smith-Lever 3(b) and 3(c) Formula
   ii. Program Code – SLBC; OR
   iii. Program Code Name - District of Columbia Public Postsecondary, DC Public Postsecondary Reorganization Act
   iv. Program Code - PPERA

c) **Field 3. Type of Applicant** - Enter the Institution type as registered in SAM.gov

d) **Field 6. ASAP Recipient Information** – Check “Yes” and enter in the Institution ASAP Recipient ID corresponding with the Institution receiving the award

e) **Field 8. Conflict of Interest List** - Do not attach a conflict-of-interest list, leave this section blank

6. **Attachment Form**

Information related to the requirements on this form is available in Part V of the NIFA Grants Application Guide. The following are additional instructions.

a) **Felony Convictions or Tax Delinquent Status** - See Part V of the NIFA Grants Application Guide for instructions regarding mandatory Felony Convictions or Tax Delinquent Status. For Capacity programs, this mandatory information must be either included as an attached PDF and identified on the Attachment Form or appropriately answered within the “Reps and Certs” section of your SAM.gov registration.

b) **Matching Requirement** - If matching funds are required as specified under Part III, B of this RFA. Cost-Sharing or Matching, the matching is an eligibility criterion, and you must include documentation of the source of the non-federal match with the application. NIFA will consider this documentation when ascertaining final matching requirements or in determining if required matching can be waived. NIFA retains the right to make final determinations regarding matching requirements.

The matching documentation shall include the non-federal sources (specify the type of match as third party or cash; the source of match, state or non-state, county or non-tax;
and the amount for all match for each source) and the amount of all match. The matching documentation must include the program name and the fiscal year and be signed by the authorized representative. The match information should be in PDF format (see Part IV of the NIFA Grants Application Guide for attachment requirements) and included as a separate attachment identified on the Attachment Form.

To establish the value of applicant contributions in accordance with applicable cost principles, refer to 2 CFR 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards for further guidance and other requirements relating to matching and allowable costs.

c) **Matching Funds Waiver Request (Optional)** - If your institution is applying for a matching funds waiver, prepare a request in PDF format for inclusion within your submission and identify on the Attachment Form (see Part IV of the NIFA Grants Application Guide for attachment requirements). The revised Final Rule 3419, published May 11, 2018, (7 CFR §3419) contained information on applications for waivers for the 1862 land-grant institutions in insular areas.

The following information shall be included with your request submitted:

i. a request to waive matching requirements under this RFA including the name of the eligible institution and the type of Federal capacity funds (i.e., Smith-Lever);

ii. a statement of the fiscal year(s) for which the waiver is requested;

iii. a statement of the exact dollar amount of waiver being requested by fiscal year and how the amount was computed (by matching fund category);

iv. a statement of why the waiver is requested using criteria listed in the revised Final Rule 7 CFR §3419.3: impacts from natural disaster, flood, fire, tornado, hurricane, or drought; state and/or institution facing financial crisis; or lack of matching funds after demonstration of good faith efforts to obtain funds;

v. documentation supporting the need for the waiver (documentation must be current, within the past two years from the date of the letter requesting the waiver);

vi. the university’s approved budget for the program for both the current and previous budget cycles; and

vii. a statement regarding the university’s efforts to meet future matching needs.

Other information you may also submit includes but is not limited to documentation such as a statement from the State asserting what portion of the required match amount the State contribution to the institution will cover, a schedule of projected cash flows showing what portion of the matching funds the university will have available or other documents such as letters from State or institution budget personnel or newspaper articles. Newspaper articles may be provided as supporting documentation but will not be considered as primary supporting documentation. In requesting the waiver, the institution must consider the availability of all permissible forms of matching in detail.

**C. Submission Dates and Times**

Instructions for submitting an application are included in Part IV of the NIFA Grants Application Guide.
Applications must be received by Grants.gov by **5 p.m. Eastern Time on September 30, 2022.** Applications received after this deadline will normally not be considered for funding.

In case of trouble submitting an application to Grants.gov, you should FIRST contact the Grants.gov Help Desk to resolve any problems. Keep a record of any such correspondence. See Part IV A of this RFA for Grants.gov contact information.

Once NIFA accepts your application, you may check the status of your application in the ezFedGrants portal or by looking in Grants.gov.

If you are not able to validate NIFA received your application by October 12, 2022, contact the Agency Administrative Contact identified in Part VII of this RFA. Failure to do so may result in the application not being processed and funding being held. You should cite your Grants.gov tracking number on all inquiries until an award number is assigned.

### D. Funding Restrictions

1. **Program and Extension Activities**
   Smith-Lever Act sections 3(b) and 3(c) federal funding may only be used for extension programs and an activity identified in the institution’s approved Five-Year Plan of Work (POW).

2. **Indirect Costs and Tuition Remission**
   In accordance with section 1473 of the National Agricultural Research, Extension, and Teaching Policy Act of 1977 (7 U.S.C. §3319), indirect costs and tuition remission are unallowable as Sections 3(b) and 3(c) of the Smith-Lever Act formula grant expenditures. Further, costs that are a part of an institution's indirect cost pool (e.g., administrative or clerical salaries) may not be reclassified as direct costs for the purpose of making them allowable.

3. **Construction, Land purchases, and Teaching**
   Funds cannot be used, directly or indirectly, for the purchase, construction, preservation, or repair of any building or buildings, the purchase or rental of land, or in college-course teaching, lectures in college, or any other purpose not specified in the Smith-Lever Act.

4. **Retirement Contributions**
   Employer contributions to land-grant college retirement systems are limited to 5 percent of that portion of the salaries paid, under this award, to employees who participate in the system (7 U.S.C. §331) and are subject to the other conditions in 7 U.S.C. §331. Contributions of funds under this award may not exceed the contributions from non-Federal sources made by or on behalf of the individual concerned. See Section VI.H.1 of the NIFA Federal Assistance Policy Guide for additional information.

5. **Matching**
   See Part III, B of this RFA for additional information.

### E. Other Submission Requirements

You should follow the submission requirements noted in Part V of the NIFA Grants Application Guide.
For information about the status of a submitted application, see Part VI of the NIFA Grants Application Guide.

**Unique Entity Identifier (UEI) and System for Award Management (SAM)** – each applicant (unless excepted under 2 CFR § 25.110(b) or (c), or has an exception approved by the federal awarding agency under 2 CFR § 25.110(d)) is required to:

1. be registered in SAM before submitting its application;
2. provide a valid UEI number in its application; and
3. continue to maintain an active SAM registration with current information at all times during which it has an active federal award or an application or plan under consideration by a federal awarding agency.

If you have not complied with all applicable UEI and SAM requirements, you may be considered unqualified to receive an award.

Your SAM registration information determines your organization ID in the ezFedGrants system, and the information must match your ASAP recipient UEI and EIN.
PART V—APPLICATION REVIEW REQUIREMENTS

A. General
NIFA will review submitted documents to determine if all program, financial, and administrative requirements are met and are current. Missing or incomplete information within an application may require additional submittals and deletion of application(s) already submitted.

B. Organizational Management Information
Specific applicant organizational management information shall be submitted on a one-time basis, with updates submitted as needed. If this information has not been submitted under this or another NIFA program, it is the responsibility of the organization to do so for determination of eligibility prior to the award of a grant identified under this RFA.

We will provide you the forms to fulfill these requirements as part of the Pre-Award process. Although an applicant may be eligible, there are factors that may exclude an applicant from receiving federal financial and nonfinancial assistance and benefits under this program (e.g., debarment or suspension of an individual involved or a determination an applicant is not responsible based on submitted organizational management information).
PART VI—AWARD ADMINISTRATION

A. General
Within the limit of funds available for such purpose, the NIFA awarding official shall make grants to eligible applicants.

B. Award Notice
The notice of federal award is the authorizing document. The award document contains award provisions and other pertinent information. See Notice of Award section at Notice of Award for further details.

C. Administrative and National Policy Requirements
Several federal statutes and regulations apply to grant applications considered for review and to project grants awarded under this program. These may include, but are not limited to, those listed at USDA/NIFA Federal Regulations.

NIFA Federal Assistance Policy Guide—a compendium of basic NIFA policies and procedures applying to all NIFA awards, unless there are statutory, regulatory, or award-specific requirements to the contrary, is available at the NIFA Federal Assistance Policy Guide.

D. Expected Program Outputs and Reporting Requirements
Organizations receiving Smith-Lever 3(b) & (c) funding from the National Institute of Food and Agriculture (NIFA), are required to submit the following reports:

1. Fiscal Year (FY) 2024 Plan of Work (POW) update;
2. FY2022 Annual Report of Accomplishments and Results;
3. Program/Project Initiation in the NIFA Reporting System (NRS);
4. Program/Project progress reports;
5. Project Financial Report;
6. OGFM Supplemental; and
7. Federal Financial Reports (SF-425)

The FY 2024 Plan of Work (POW) update and the FY 2022 Annual Report are due by April 1, 2023. NIFA is building an integrated reporting portal for research and extension grants. Information regarding requirements for submittals of reporting through the NRS are available at the NRS web page https://nifa.usda.gov/tool/pow-nifa-reporting-system.

In FY 2022, Institutions initiated Extension programs in NRS via this link: https://nifa.usda.gov/tool/pow-nifa-reporting-system. Institutions must continue submitting Program Initiations in the NRS, which includes the Program Description, Classifications, and identification of Integrated and Multi-State activities prior to initiation of each capacity-funded program. The program will undergo a review by NIFA and be approved, deferred, or declined.

Institutions will submit annual progress reports in the NRS based on the federal fiscal year. Reports are due March 1 for the preceding fiscal year. Progress reports form the basis for the Annual Report of Accomplishments and Results due April 1.

A Project Financial Report must be submitted to NIFA annually for all eligible projects from the preceding fiscal year. A Project Financial Report is also required for expenditures on all state
projects to be included in the non-federal funds and matching funds computation. Reports shall be made on the federal fiscal year basis.

Federal Financial reporting via the SF-425 is due within the ezFedGrants portal, at minimum on an annual basis. Please see your Notice of Award for information on additional required SF-425s that may be required throughout the life of the award. Information on how to access the ezFedGrants portal can be found on the ezFedGrants (eFG) Grants and Agreements System Overview page.

See Smith-Lever Act Capacity Grant for additional Smith-Lever reporting requirement details.

See District of Columbia Public Postsecondary Education Reorganization Act Program (Cooperative Extension Programs) for additional Postsecondary Education Reorganization Act reporting requirement details.
PART VII—AGENCY CONTACTS

For questions regarding DCPPERA projects/program, please contact:

Bonita Williams, National Program Leader
National Institute of Food and Agriculture
U.S. Department of Agriculture
Phone: (816) 908-3323
E-mail: bonita.williams@usda.gov

For questions regarding SLBC projects/program, please contact:

Denis Ebodaghe, National Program Leader
National Institute of Food and Agriculture
U.S. Department of Agriculture
Phone: (202) 445-5460
E-mail: denis.ebodaghe@usda.gov

For administrative questions relating to the completion of the grants.gov forms please contact:

Alicia J. Simon, Senior Grants Management Specialist
OGFM/National Institute of Food and Agriculture
U.S. Department of Agriculture
Telephone: 202-253-7102
Email: capacitygrantquestions@usda.gov

For questions relating to NRS forms and submissions, please contact the Planning, Accountability and Reporting Staff; Email: electronic@usda.gov.

For questions relating to the 5-Year Plan of Work Update or the Annual Report of Accomplishments and Results, contact Planning, Accountability and Reporting Staff; Email: pow@usda.gov.

PART VIII – OTHER INFORMATION

The USDA NIFA home page for the Smith-Lever Act Capacity Grant is: https://nifa.usda.gov/program/smith-lever-act-capacity-grant.
