USDA IS AN EQUAL OPPORTUNITY PROVIDER, EMPLOYER, AND LENDER

Non-Discrimination Statement

<https://www.usda.gov/non-discrimination-statement>

- In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs, are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.
- Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotope, American Sign Language, etc.) should contact the responsible agency or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.
- To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at [How to File a Program Discrimination Complaint](#) and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by: (1) mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410; (2) fax (202) 690-7442; or (3) email: program.intake@usda.gov.
- USDA is an equal opportunity provider, employer and lender.

Food Safety, Nutrition and Health (FSNH) Programs

FSNH programs support research, education and Extension/outreach programs related to:

- Food and nutrition security
- Novel technologies in food safety, manufacturing, supply chains
- Family and community health and sustainability
- Health equity
- Nutrition education, diet, and chronic disease prevention
- Climate safe agriculture, including ecosystem services and valuation of these services
- Social, ethical, cultural, legal, and other potential impacts of emerging technologies
- Education for risk mitigation and improved resilience

Types of Programs

The Programs in the FSNH priority areas are divided into two groups:

- **AFRI**
 - **FAS Programs**
 - Core programs
 - Cross-cutting programs
- **Non-AFRI Programs**

AFRI: Agriculture and Food Research Initiative

FAS: Foundational and Applied Sciences

AFRI-FAS Core Programs

- A1332 Food Safety and Defense
- A1343 Food and Human Health
- A1344 Diet, Nutrition, and the Prevention of Chronic Diseases (**Integrated**)
- A1364 Novel Foods and Innovative Manufacturing Technologies
- A1366 Mitigating Antimicrobial Resistance Across the Food Chain (**Integrated**)
- A1511 Nanotechnology for Agricultural and Food Systems

AFRI-FAS Cross-Cutting Programs

- A1541: Data Science for Food and Agricultural Systems (DSFAS)
- A1701: Critical Agricultural Research and Extension (CARE)
- A1721: Extension, Education and USDA Climate Hubs Partnership
- A1741: Center for Research, Behavioral Economics, and Extension on Food Loss & Waste

Non-AFRI Programs

- Community Food Projects Program (CFP)
- Food and Agriculture Service Learning Program (FASLP)
- Food Safety Outreach Competitive Grants Program (FSOP)
- Gus Schumacher Nutrition Incentive Program (GusNIP)
 - Produce Prescription
 - Nutrition Incentive
 - Training, Technical Assistance, Evaluation, and Information Centers (NTAE)

Non-AFRI Non-competitive (Capacity) Program

Expanded Food and Nutrition Education
Program (EFNEP)

Broadening Participation

- Connecting with other disciplines and interests
- Inclusive of historically underserved communities and populations
- Collaborations with 1890, HSI, and 1994 Tribal colleges and universities
- Pathway interns, Army intern, 1890 National Scholars, HACU Interns
- Use of databases
- Federal websites and other tools

FUNDING OPPORTUNITY

Crop Protection and Pest Management

Thursday, November 17, 2022

The purpose of the Crop Protection and Pest Management program is to address high priority issues related to pests and their management using IPM approaches at the state, regional and national levels. The CPPM program supports projects...

FUNDING OPPORTUNITY

Capacity Building Grants for Non-Land-Grant Colleges of Agriculture Program

Friday, October 7, 2022

Capacity Building Grants for Non-Land-Grant Colleges of Agriculture Program (NLGCA)
Institutions may use the funds: (a) to successfully compete for funds from Federal grants and other sources to carry out educational, research, and...

You can

1. Access the RFA from the **Download RFA** button
2. Each program will host a RFA announcement and technical assistance webinar when the RFA is published. This webinar will be held by the program before the application due date. The registration information and the video recording can be accessed from the **Technical Assistance Webinar** button

Capacity Building Grants for Non-Land-Grant Colleges of Agriculture Program

SHARE     

Capacity Building Grants for Non-Land-Grant Colleges of Agriculture Program (NLGCA) Institutions may use the funds: (a) to successfully compete for funds from Federal grants and other sources to carry out educational, research, and outreach activities that address priority concerns of national, regional, State, and local interest; (b) to disseminate information relating to priority concerns to interested members of the agriculture, renewable resources, and other relevant communities, the public, and any other interested entity; (c) to encourage members of the agriculture, renewable resources, and other relevant communities to participate in priority education, research, and outreach activities by providing matching funding to leverage grant funds; and (d) through: (1) the purchase or other acquisition of equipment and other infrastructure (not including alteration, repair, renovation, or construction of buildings); (2) the professional growth and development of the faculty of the NLGCA Institution; and (3) the development of graduate assistantships.

To apply for this grant program, the institution must be Certified as a Non-land Grant College of Agriculture. Please review the [NLGCA Eligibility Flowchart](#) and corresponding [Request for Non-Land-Grant Colleges of Agriculture Designation](#).

The RFA announcement and technical assistance webinar related to this FY 2023 funding opportunity has taken place. Please access the details about the webinar including recording/supporting documents through the Webinar heading.

Dates may vary. Please see RFA for exact dates.

You can

3. Access the **program page** for more information about the program through Program link
4. Access the **Program staff contact** information from
 - This page as shown here
 - Contact information also available in RFA
