Section 1445 of the National Agricultural Research, Extension and Teaching Policy Act of 1977 (NARETPA), also known as Section 1445 Evans Allen Research Program. Section 1445 ([7 U.S.C. 3222](#)). This law provides the basis for federal funding for agricultural research activities at 1890 Land-grant Institutions, including Tuskegee University, West Virginia State University, and Central State University.

Per [7 U.S.C. 3222](#), funds in excess or deficit of the previous fiscal year are added or subtracted from each eligible institution's allocation using a 20-40-40 calculation in the following manner:

1. 20% of the increase/decrease allotted in equal proportions to eligible institutions.
2. 40% of the increase/decrease allotted to eligible institutions in proportion to the rural population within the state in which the institution resides, based on the last available census.
3. 40% of the increase/decrease allotted to eligible institutions in proportion to the farm population within the state in which the institution resides, based on the last available census.

Should an eligible institution's allocation fall below a required minimum; reductions are made proportionately from the other eligible institutions.

### **B. Purpose**

The purpose of this funding is to support agricultural research activities at 1890 Land-grant Universities, including Tuskegee University, West Virginia State University, and Central State University.

The Agricultural Research at 1890 Land-grant Institutions – Section 1445 is aligned with the following:

### **B. Type of Application**

Applications for FY 2024 are limited to “new” applications.

### **C. Responsible and Ethical Conduct of Research**

In accordance with 2, 3, and 8 of [2 CFR Part 422](#), institutions that conduct USDA-funded extramural research must foster an atmosphere conducive to research integrity, bear primary responsibility for prevention and detection of research misconduct, and maintain and effectively communicate and train their staff regarding policies and procedures. In the event an application to NIFA results in an award, the Authorized Representative (AR) assures, through acceptance of the award the institution will comply with the above requirements. Award recipients shall, upon request, make available to NIFA the policies, procedures, and documentation to support the conduct of the training. See [Responsible and Ethical Conduct of Research](#) for further information.

## **PART III—ELIGIBILITY INFORMATION**

### **B. Cost Sharing or Matching**

Section 1449 of NARETPA ([7 U.S.C. 3222d\(c\)](#)) states, “the State shall provide equal matching funds from non-federal sources.” Such matching funds shall be for an amount equal to, not less than 100 percent of the formula grant funds to be distributed to the eligible institution. The Secretary may waive the matching funds requirement for up to 50 percent for any fiscal year for an eligible institution if the Secretary determines the State will be unable to satisfy the 100 percent matching requirement.

The Matching Funds Requirements for Agricultural Research and Extension Capacity Funds at 1890 Land-grant Institutions, including Central State University, Tuskegee University, and West Virginia State University, and at 1862 Land-Grant Institutions in Insular Areas are published at [7 CFR 3419.7 CFR 3419.1](#) defining “matching funds” as “funds from non-federal sources, including those made available by the State to the eligible institutions for programs or activities that fall within the purposes of agricultural research and cooperative extension under Sections 1444 and 1445 of NARETPA; the Hatch Act of 1887; and the Smith-Lever Act.” [7 CFR 3419](#)

defines “non-federal sources” as “funds made available by the State to the eligible institution either through direct appropriation or under any authority (other than authority to charge tuition and fees paid by students) provided by a State to an eligible institution to raise revenue, such as gift acceptance authority or user fees.”

[7 CFR 3419.6](#) states, “The required matching funds for the capacity programs must be used by an eligible institution for the same purpose as Federal award dollars: Agricultural research and extension activities that have been approved in the plan of work required under sections 1445(c) and 1444(d) of the [National Agricultural Research, Extension, and Teaching Policy Act of 1977](#), section 7 of the [Hatch Act of 1887](#), and section 4 of the [Smith-Lever Act](#). For all programs, tuition dollars and student fees may not be used as matching funds.” Projects funded by non-federal funds intended to be utilized as match to any Capacity award will also be subject to the provision found in 2 CFR Part 200 – Uniform Administrative Requirements Cost Principles, and Audit Requirements for Federal Awards, the [NIFA Federal Assistance Policy Guide](#), and the [NIFA Capacity Specific Terms and Conditions](#).

[7 CFR 3419.3](#), Limited Waiver Authority, and [7 CFR 3419.4](#), applications for waivers for both 1890 Land-grant Institutions and 1862 Land-grant Institutions in insular areas, address the criteria an institution must meet to be granted a waiver as well as the process and supporting documentation required for submitting a waiver. See [Part IV, B, 6 c](#) of this RFA for additional instructions about how to request a waiver. Until a matching waiver is approved by NIFA, the amount of the required matching funds identified in the application as well as matching documentation must be the same as listed in Appendix A. Documentation of any other amount will cause the application to be returned and corrected resubmission will be required.

#### **D. Funding Restrictions**

##### **1. Approved NIFA Section 1445 Evans Allen Research Projects**

Section 1445 Evans Allen funds may only be used on approved Section 1445 Evans Allen projects.

##### **2. Indirect Costs and Tuition Remission**

In accordance with section 1473 of NARETPA ([7 U.S.C. 3319](#)), indirect costs and tuition remission are unallowable as Section 1445 Evans Allen Research Program formula grant expenditures. Further, costs that are part of an institution's indirect cost pool (e.g., administrative, or clerical salaries) may not be reclassified as direct costs for the purpose of making them allowable.

##### **3. Carryover of Funds**

Section 1445 Evans Allen funds are expected to be fully expended in the fiscal year of appropriation; however, up to 100 percent of funds may be carried over for up to one year after the end of the year for which they were appropriated. No prior approval is required.

##### **4. Retirement Contributions**

Employer contributions to land-grant college retirement systems are limited to 5 percent of the portion of the salaries paid, under this award, to employees who participate in the system ([7 U.S.C. 331](#)) and are subject to the other conditions in [7 U.S.C. 331](#). Note the 5 percent limitation does NOT apply to any state or individual contribution. 2. provide a valid UEI number in its application; and
3. continue to always maintain an active SAM registration with current information at all times during which the applicant has an active federal award, an application, or plan under consideration by a federal awarding agency.

If you have not complied with all applicable UEI and SAM requirements, you may be considered ineligible to receive an award.

Your SAM registration information determines your organization ID in the [ezFedGrants](#) system, and the information must match your ASAP recipient UEI and EIN.

## **PART V—APPLICATION REVIEW REQUIREMENTS**

### **A. General**

NIFA will review submitted documents to determine if all program, financial, and administrative requirements are met and are current. Missing or incomplete information within an application may require additional submittals and deletion of application(s) already submitted.

### **B. Organizational Management Information**

Specific applicant organizational management information shall be submitted on a one-time basis, with updates submitted as needed. If this information has not been submitted under this or another NIFA program, it is the responsibility of the organization to do so for determination of eligibility prior to the award of a grant identified under this RFA.

NIFA will provide the forms to fulfill these requirements as part of the Pre-Award process. Although an applicant may be eligible, there are factors that may exclude an applicant from receiving federal financial and nonfinancial assistance and benefits under this program (e.g., debarment or suspension of an individual involved or a determination an applicant is not responsible based on submitted or discovered organizational management information).

## **PART VI—AWARD ADMINISTRATION**

### **A. General**

Within the limit of funds available for such purpose, the NIFA awarding official shall make grants to eligible applicants.

### **B. Award Notice**

The notice of federal award is the authorizing document. The award document will provide pertinent instructions and information as described in [2 CFR 200.211](#) (see [NIFA's Terms and Conditions](#)). Awardees should ensure a copy of the Notice of Award, as well as all future amendments, are retained within their institutional systems.

### **C. Administrative and National Policy Requirements**

Several federal statutes and regulations apply to grant applications considered for review and to project grants awarded under this program. These may include, but are not limited to, those listed at [USDA/NIFA Federal Regulations](#). Unless specifically noted by statute or award-specific requirements, [NIFA Federal Assistance Policy Guide](#) applies to all NIFA awards.

### **D. Expected Program Outputs and Reporting Requirements**

Institutions receiving Section 1445 Evans Allen funding from NIFA are required to submit the following reports:

1. FY 2025 Plan of Work (POW) update;
2. FY 2023 Annual Report of Accomplishments and Results (Annual Report);
3. Program/Project initiation in the NIFA Reporting System (NRS);
4. Program/Project progress reports;
5. Project Financial Report; and
6. Federal Financial Reports (SF-425)

The FY 2025 POW update is due June 1, 2024, and the FY 2023 Annual Report is due by April 1, 2024. Program/Project Initiations and Progress Reports are to be completed by any institution who has been granted authority to use capacity dollars. NIFA is building an integrated reporting portal for research and extension grants. Information regarding requirements for submittals of reporting through the NRS are available at the NRS web page <https://nifa.usda.gov/tool/pow-nifa-reporting-system>.

A Project Financial Report must be submitted to NIFA annually for all eligible projects from the preceding fiscal year. A Project Financial Report is also required for expenditures on all state projects to be included in the non-federal funds and matching funds computation. Reports shall be made on the federal fiscal year basis.

Federal Financial Report (SF-425) – Federal Financial reporting via the SF-425, is due within the ezFedGrants portal, at minimum on an annual basis. Please see your Notice of Award (NOA) for information on additional SF-425's that may be required throughout the life of the award. Information on how to access the ezFedGrants portal can be found on the [ezFedGrants \(eFG\) Grants and Agreements System Overview](#) page.
