Overview

All users of the NIFA Reporting System will need to complete registration by creating a Login.gov account and completing identify verification. New users will then need to request a role from their Organizational Administrator(s) at their institution.

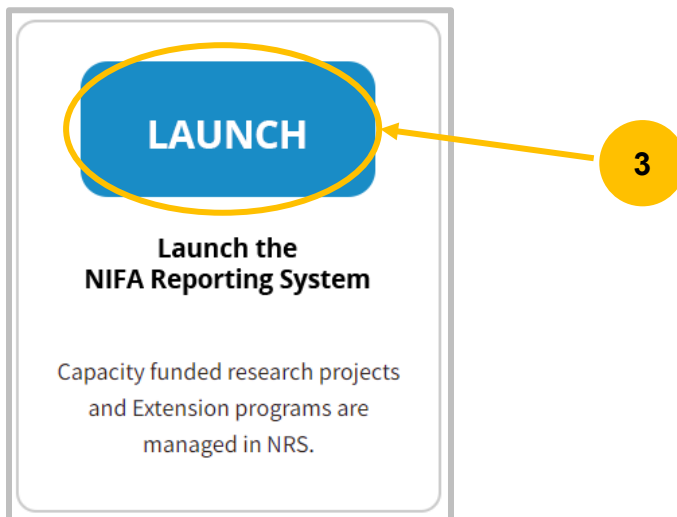

Currently, users with already existing eAuth accounts may continue to login with their eAuth user/password; in the future those users will also be required to switch to using Login.gov so we recommend that you create a Login.gov account to link to eAuth prior to this change. Additionally, some users may have USDA employee/contractor logins and will not use the instructions in this guide. If you are not sure what type of account you have, contact the NRS Help Desk (nrs@usda.gov) for assistance in determining which one you have or if you need to create a new account.

Account Creation

1. Navigate to the NIFA Reporting System by clicking [NIFA Reporting System](#).
2. The NIFA Reporting System home page is displayed.

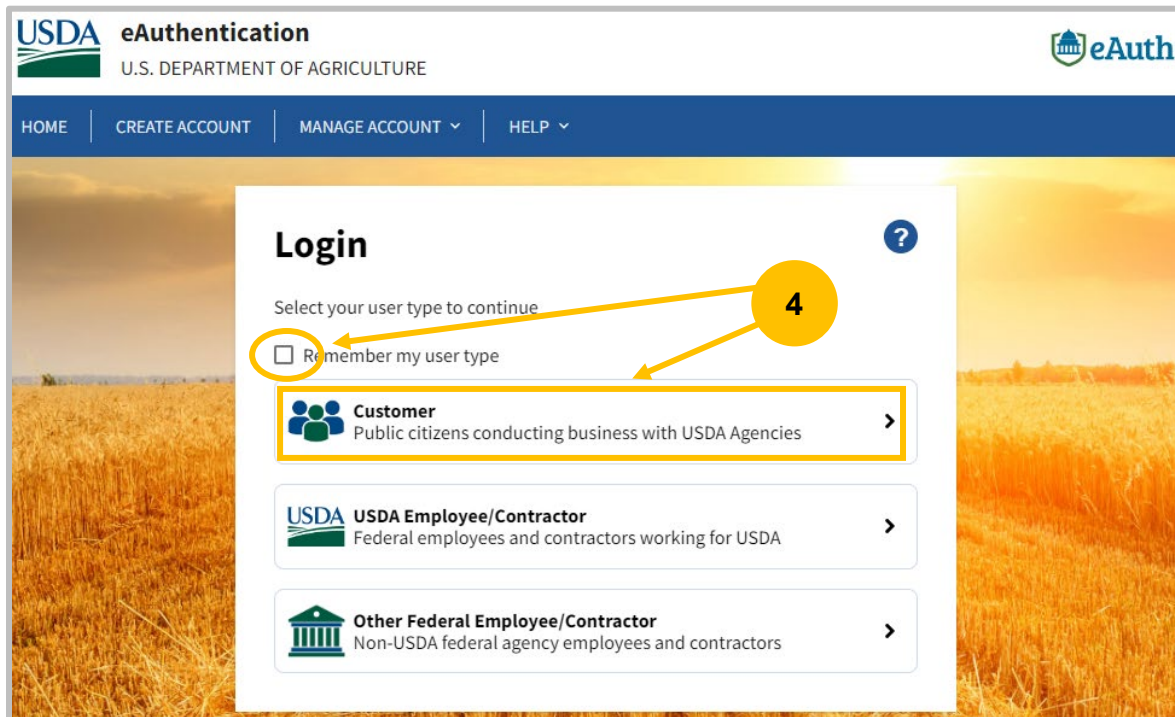

3. Locate the *'Launch the NIFA Reporting System'* section, mid-way down the page, select **LAUNCH**.

NOTE: If you receive the following message, select **Refresh**.

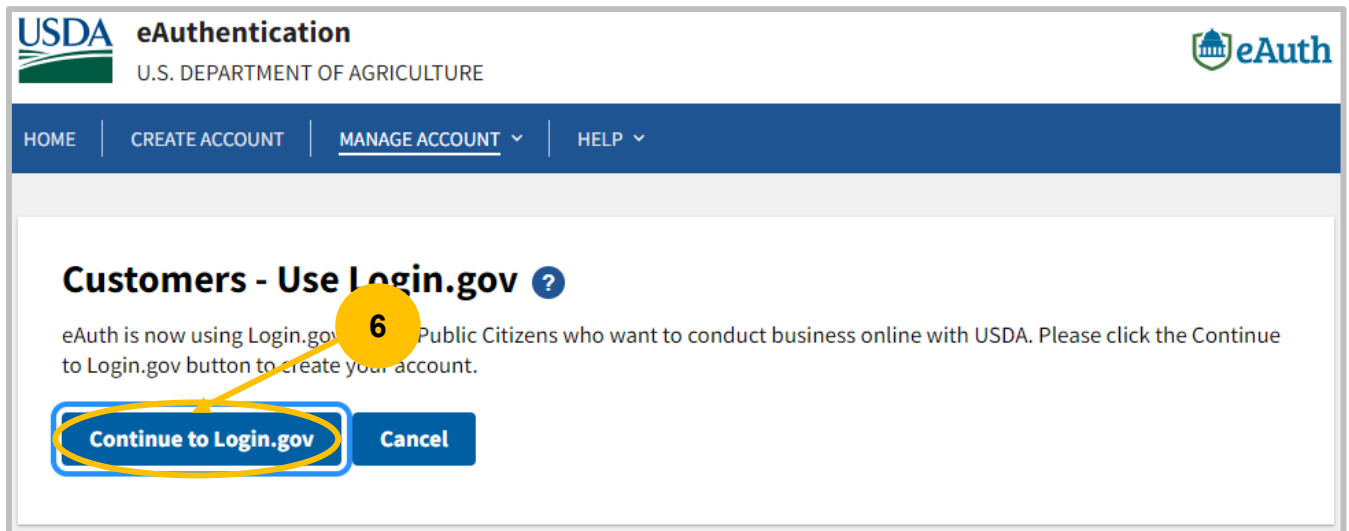

4. At the Login page select **Customer** as the customer type. If you would like the system to remember the selection, select the checkbox next to *"Remember my user type"*.

5. To create a new account, select **Create Account** or **Need an account?**

6. Select **Continue to Login.gov**.

- At the Login.gov page, select **Create an account**.

LOGIN.GOV USDA

USDA eAuth - Cert is using Login.gov to allow you to sign in to your account safely and securely.

[Privacy Act Statement](#)

- The “Create an account for new users” page will display. Input your **email address**, select **email language preference** and select the checkbox “*I read and accept the Login.gov Rules of Use checkbox*”; then select **Submit**.

Note: If you are creating an account for an already existing NRS user account, make sure you use the same email address. Otherwise, your NRS user account will need to be edited.

The screenshot displays the USDA eAuth - Cert account creation interface. At the top, there are logos for LOGIN.GOV and USDA. Below the logos, a message states: "USDA eAuth - Cert is using Login.gov to allow you to sign in to your account safely and securely." There are two buttons: "Sign in" and "Create an account". The "Create an account" button is highlighted in blue. Below this, the section "Create an account for new users" is shown. It includes a text input field for "Enter your email address", which is circled in yellow. Below the input field, there is a section for "Select your email language preference" with three radio button options: "English (default)", "Español", and "Français". The "English (default)" option is selected. Below the language options, there is a checkbox labeled "I read and accept the Login.gov Rules of Use" with a link to the "Rules of Use". This checkbox is also circled in yellow. At the bottom of the form, there is a blue "Submit" button, which is circled in yellow. A yellow circle with the number "8" is positioned to the right of the form, with arrows pointing to the email address field, the "English (default)" radio button, the "I read and accept the Login.gov Rules of Use" checkbox, and the "Submit" button. At the bottom of the page, there are links for "Cancel", "Security Practices and Privacy Act Statement", and "Privacy Act Statement".

- You will receive an email to confirm your email address.
- Open the “Confirm email address” email.

11. Click **Confirm email address**.

13. Login.gov utilizes multi-factor authentication methods to prevent unauthorized users access to your account.

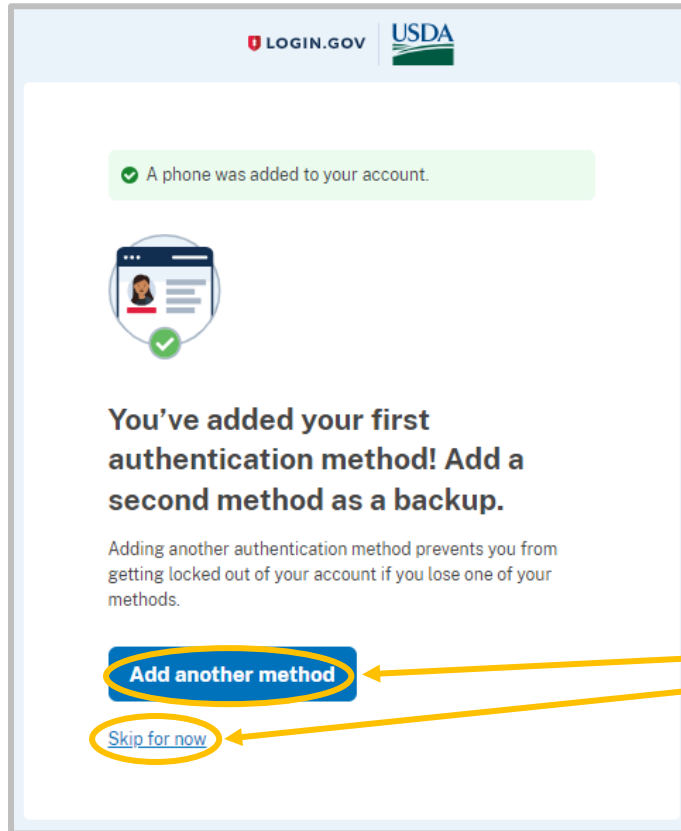

Please select at least one authentication method, select **Continue**.

14. Follow the onscreen prompts for the authentication method selected.

15. Upon successful completion of the selected authentication method, you will be presented with the option to **Add another method** (16) or **Skip for now** (17).

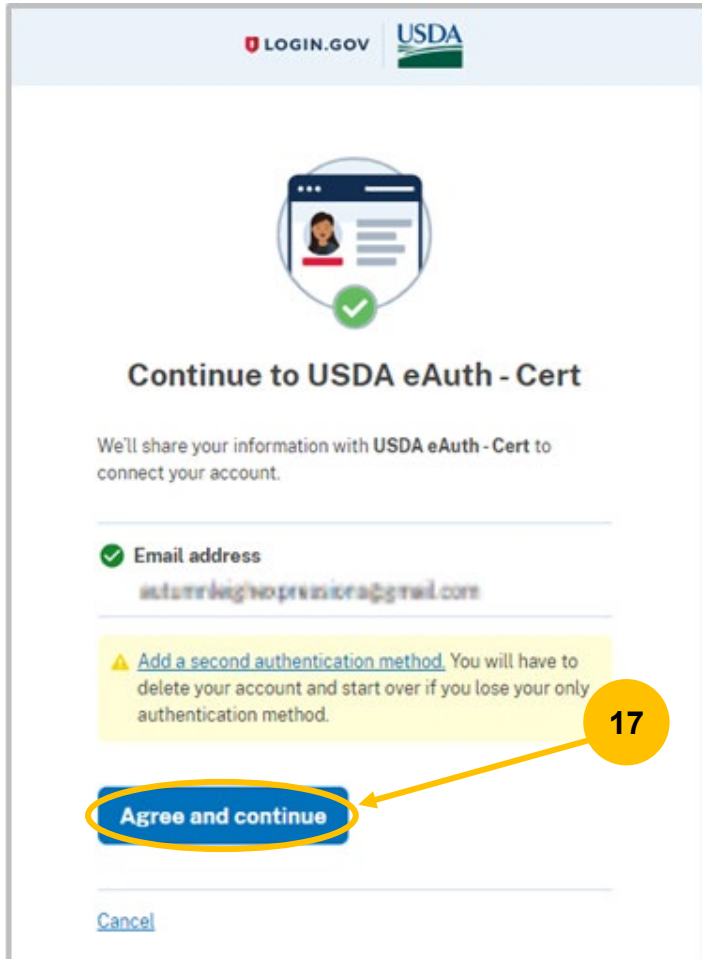

NOTE: It is highly recommended to complete two authentication methods to ensure you have a way to unlock your account if you lose one of your methods (i.e., changing your phone number).

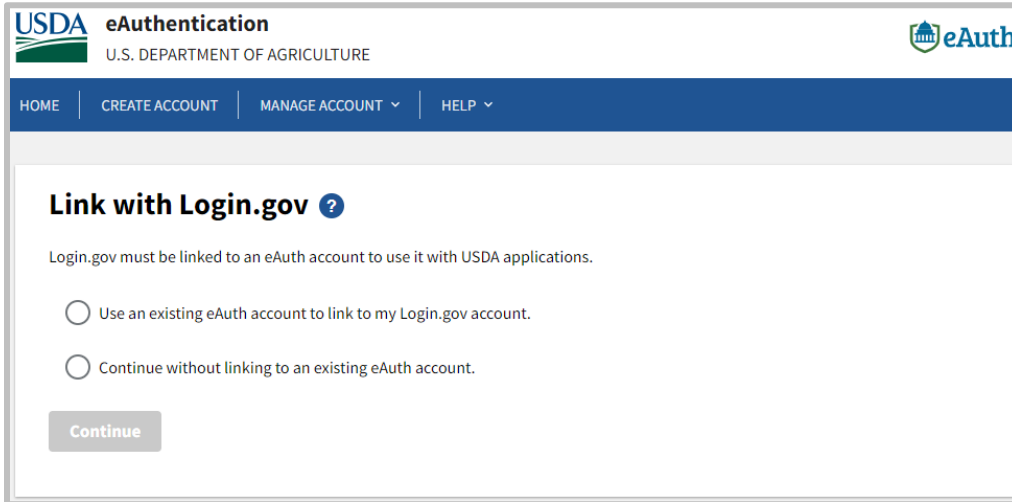

16. Select **Add a second authentication method**, follow the onscreen prompts to complete the second authentication method.

17. Select **Skip for now**, the “Continue to USDA eAuth – Cert” page displays, select **Agree and continue** to allow your information to be shared with USDA eAuth - Cert.

NOTE: To add additional authentication methods, log in to Login.gov access your account profile, and select an additional authentication method. See [Updating Account Information](#).

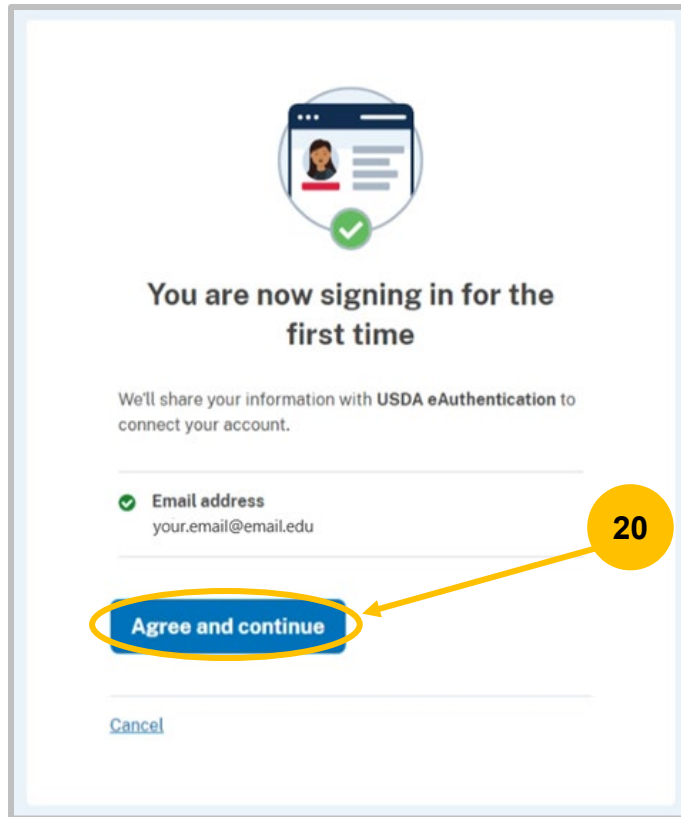

18. The Link with Login.gov page displays with the option to **Use an existing eAuth account to link to my Login.gov account** (19) or **Continue without linking to an existing eAuth account** (22). If you are unsure if you have an existing eAuth account, please email nrs@usda.gov for assistance and include what email address you are using.

The screenshot shows the USDA eAuthentication interface. At the top left is the USDA logo and 'eAuthentication U.S. DEPARTMENT OF AGRICULTURE'. At the top right is the eAuth logo. A navigation bar contains 'HOME', 'CREATE ACCOUNT', 'MANAGE ACCOUNT', and 'HELP'. The main content area is titled 'Link with Login.gov' with a help icon. Below the title, it states 'Login.gov must be linked to an eAuth account to use it with USDA applications.' There are two radio button options: 'Use an existing eAuth account to link to my Login.gov account.' and 'Continue without linking to an existing eAuth account.' A 'Continue' button is located at the bottom left of the form area.

19. If you currently have an eAuth account, select **Use an existing eAuth account to link to my Login.gov account**, select **Continue**.
20. Select **Agree and continue** to allow Login.gov to share your information with the USDA eAuthentication.

21. You should receive an email confirming that you have successfully linked your Login.gov account with eAuth. Now that you have completed the registration process and your eAuthentication account is linked to your Login.gov account, please contact your Organizational Administrator to **request a role** if needed. Please see the next section on [Identity Verification](#).

22. If you are a new user (no eAuth account), select **Continue without linking to an existing eAuth account**, select **Continue**.

NOTE: This will automatically establish an eAuth account and link it to your Login.gov account.

23. The User Information Required page displays, input your **First Name** and **Last Name**, select **Submit**.

User Information Required ?

In order to complete setting up your Login.gov account with USDA eAuth, please provide the following information:

Verify Identity ?

The application you are accessing requires identity verification. Your account does not currently meet these requirements. Please select the method to verify your identity below.

Verify my identity at Login.gov - Recommended

Visit a USDA Service Center for in-person identity verification

Continue

Online Identity Verification requires you to have a state-issued ID, social security number and your phone number OR home address to complete the process.

In-Person Identity Verification requires you to visit a USDA Service Center and present your government-issued photo ID to a Local Registration Authority (LRA). The address on the photo ID used to verify your identity must match the address used when the account was registered.

5. Verify Identity at Login.gov page displays, select **Continue to Login.gov**.

6. The Verify Identity page will display. Ensure you have your state-issued ID, Social Security number, and a phone number available for entry, then select **Continue**.

The screenshot shows the 'Verify your ID' step in the account creation process. At the top, there is a progress bar with five steps: 'Getting started' (completed), 'Verify your ID' (current step), 'Verify your information', 'Verify phone or address', and 'Secure your account'. The main heading is 'Get started verifying your identity'. Below this, a message states: 'USDA eAuth - Cert needs to make sure you are you — not someone pretending to be you.' The section 'You will need your:' lists three requirements: 1. State-issued ID (cannot be expired), 2. Social Security number (card not needed), and 3. Phone number OR home address. Under the third requirement, there are two options: 'Verify by phone' (takes a few minutes) and 'Verify by mail' (takes 5 to 10 days). A link 'Learn more about verifying by phone or mail' is provided. A blue 'Continue' button is highlighted with a yellow oval. A yellow circle with the number '6' and two arrows points to the 'Social Security number' requirement and the 'Continue' button. Below the main content, there is a section 'Are you missing one of these items?' with three links: 'Learn more about accepted IDs', 'Learn more about verifying by phone or mail', and 'Get help at USDA eAuth - Cert'. At the bottom, there is a section 'Our privacy and security standards' with a link 'Learn more about our privacy and security measures' and a 'Cancel' link.

- Getting started:** Select the *“By checking this box...”* checkbox at the bottom, then select **Continue**.

LOGIN.GOV | USDA

Getting started Verify your ID Verify your information Verify phone or address Secure your account

How verifying your identity works

Identity verification happens in two parts:

Verify your identity

We'll ask for your personal information to verify your identity against public records.

Secure your account

We'll encrypt your account with your password. Encryption means your data is protected and only you will be able to access or change your information.

By checking this box, you are letting Login.gov ask for, use, keep, and share your personal information. We will use it to verify your identity.

[Learn more about our privacy and security measures](#)
