

Shortage ID:
CO197

Clinic Location 
Clinic service area 
Shortage area counties 

This map is an example of what VMLRP and VSGP-RPE applicants should include in their application. This example map has all the counties in Colorado. The counties of the veterinary shortage situation area are highlighted in yellow. There is a star symbol to indicate where the veterinary clinic is located. A circle represents the area of the shortage situation area where a clinic provides service to.
