

Five Year Funding: A Gift

Mark Small, J.D., Ph.D.

Clemson University

Program Development

- CYFAR funds community groups to implement programs over 5 years.
- A long timeline allows opportunity for growth and development within CYFAR programs.
- Programs with built-in flexibility across program components can take advantage of this extended timeline to improve program infrastructure and outcomes.

Community

An extended timeline enhances:

Multi-level Approaches

Community Collaboration Approaches

Systems Change Approaches

Technology

An extended timeline enhances:

Professional Development

Collaboration and Evaluation

Educational Programming

Sustainability

An extended timeline enhances:

Leadership

Strategic Funding

Program Responsiveness

Results from Five Years of Funding

Thank You
